

JURY MEMBERS' DISCLAIMER AND SIGNATURES

The Grand Jury recognizes that a conflict of interest may arise in the course of its investigation. In such instances, the juror may ask to be recused from all aspects of an investigation. Those members may choose not to investigate, attend interviews and deliberations, or assist in the make and acceptance of a final report that may result from an investigation.

Therefore, whenever the perception of a conflict of interest exists on the part of a member of the 2009-2010 Lassen County Grand Jury, that member abstains from any investigation involving such a conflict and from voting on the acceptance or rejection of any related subject. By signing this final report, I approve it even though I may have recused myself from, or voted against, certain individual reports which the required majority approved.
